Antioch Grade School Would Lose \$8,000 in Proposed New Formula

Lake County Educators Will Meet to Fight Raise of Minimum

Antioch's grade school stands to lose approximately \$8,000 in state aid under the new formula proposed by the interim education commission which would place the minimum at 49 cents on the \$100 valuation instead of the present 40 cents.

In other words no aid would be forthcoming until the new minimum is reached locally.

Supt. Richard Whitacre said he answered favorably to a proposal by Supt. Ray Newenham of the Zion schools that a meeting of Lake county school executives be held to formulate plans to oppose the change in the school aid law. Alternate dates were proposed.

Newenham is head of the legislative committee of the North Shore division of the Illinois Education Association and in this position is expected to take the lead in any situation that comes in his department.

Zion and Waukegan schools stand to lose much more.

"Loss of the \$8,000 in state aid would be quite a blow to us," said Supt. Whitacre commenting on the effect the change would make.

Charge Slot Machine Law Relative to Co. Military Bases Illegal

County Judge Minard E. Hulse has taken under advisement a motion that he dismiss an information charging Harold Korwin, operator of the White Eagle resort at Grass Lake with possession of a slot machine.

Korwin was indicted by the grand jury last March following his arrest on Memorial Day by Deputy Sheriff George Stried.

Korwin's attorney Eugene Daly argued that the state statute on which the arrest through information was based, never had been signed by the governor and does not exist as law.

The charge selected by the state's attorney's office cites Korwin for possession of slot machines in the county where there is a first class military establishment. Atty. Daly said the law is vague and fails to define a first class military establishment.

Circuit Judge Bernard Decker earlier entertained doubt as to the validity of the law on the latter count.

Roy Reed, operator of the Town House tavern was also arrested on the same charge.

Antioch Jayvees Win Over Palatine, Warren In Weekend Basketball

Although the varsity was not so fortunate, the Freshman-Sophomore basketball team sailed through two victories last weekend.

The Jayvees defeated Palatine there Friday night 44 to 24. It was Harry Evans' first game since being switched from center to guard and he did a nice job, according to Coach Warren Polley. Wayne Herbst was high point man with 16 points and Jerry Huml, second with 14.

For Palatine, McClung made 10 points and Hanfeld, 8.

The Sequoits defeated Warren there Saturday evening 48 to 38. It was a nip and tuck game through the first three quarters, the half ending 19 to 19 and the third quarter 32 to 31 in Antioch's favor.

In the last quarter Evans and Barnstable began stealing the ball from Warren and the quarter became a rout of the Blue Devils, Antioch making 16 points to Warren's 7.

Jerry Huml with 14 points and Harry Evans were high for Antioch. Bloomgren made 21 points for Warren, 18 of them being in the first half when his teammates only made 3 points.

Cribb Gets Contract
Ben Cribb of Lake Villa has been awarded the contract for the erection of the new Masonic Temple at Millburn. Construction will be started as early this spring as weather will permit. Ground-breaking and later corner stone laying services will be held.

Fire at Deemer Home
The Antioch Fire department was called at 2:30 p. m. Sunday to the Eugene Deemer residence at Felter's subdivision where a floor space heater became too hot and damaged the flooring and carpets. Chief Edgar Simonsen estimated the loss at \$100.

Antioch Woman's Club To Have Hobby Show At Meeting On Mon.

The first meeting of the Antioch Woman's club for 1955 will be a hobby show given by members at 1:30 p. m. Monday at the Scout House.

Mrs. Frank Powles, chairman in charge of the program reports that many and varied hobbies will be displayed.

Two guests will display doll collections. Mrs. Clarence Bradley of Kenosha specializes in dressing period dolls and Mrs. William Ingman of Antioch has crocheted dolls.

There will be collections of china, fancy aprons, quilts and afghans, and many members are bringing bakery goods to be sold. Many of the displayed articles will be for sale, and the proceeds will be donated to the Downey Hospital fund.

Refreshments will be served following the meeting by Mrs. Einar Petersen's committee, and a meeting of board members will be held before at 1 o'clock.

Chamber of Commerce Sets Feb. 7 Guest Day

Members of the Antioch Chamber of Commerce meeting Monday at Smart's Country House, designated the next meeting on Feb. 7 as guest day.

On that occasion members are to bring non-member businessmen to the meeting to acquaint them with what is being done by the organization. Regular business will be transacted and the event will not be regarded as social, according to William V. Lahti, named by President George Borovicka to handle the chamber's publicity.

A.T.H.S. School Band Will Sell Candy to Raise Money for Music

The Antioch Community High School band, under the direction of Louis Chenette, will launch a winter campaign tomorrow to raise money for the purchase of music and band equipment.

The campaign was agreed upon unanimously on Dec. 21 at a meeting attended by Albert Dittman, principal of Antioch High school, Chenette, and all members of the high school band.

Sixty students that make up the band will sell the "World's Finest" chocolate on a door-to-door canvass of all Antioch homes. The campaign will begin officially at the Antioch - Ela-Vernon basketball game which will be played tomorrow night in the new Antioch gym.

Community spirit was emphasized by the fact that many local merchants, when informed of the band's drive, asked that band members display and sell the milk chocolate in their place of business.

Mayor James McMillen expressed complete confidence in the campaign. He said he is proud of these band members who not only give up their own time for practice and civic activities, but are now working to raise funds to the community will continue to benefit from a well equipped and well equipped high school band.

In the running of the campaign, Chenette will be assisted by band president David Cain, and band secretary, Lenore McCord.

The wrapper of the candy contains a picture of the band.

New Fox Lake Bank To Open on Saturday

The new bank at Fox Lake—The Fox Lake State Bank—will open for business Saturday with an open house tomorrow at which no transactions will take place.

Frank Bush will be in charge as cashier and two additional employees, one a bookkeeper, will be employed.

President Albert E. Hoffmeyer said that other banks in the area would furnish male employees with the purpose of assisting the bank on the starting date. Various machine manufacturers will also send representatives to demonstrate the method of operating business machines.

The formal opening will take place later.

To get people to visit the bank, merchants are putting on a sales campaign in which their customers deposit tickets at the bank.

Pupils to Entertain P. T. A.
Pupils of the Antioch Grade School will entertain the Parent-Teacher Association Monday evening with a "Talent Night" program in which music and stunts will predominate.

Mrs. C. E. Hennings is reported recovering nicely from surgery performed recently at Victory Memorial hospital.

Olsen Buys Business Building from Johnson

A. Harold Olsen, owner of Furniture by Olsen, has purchased from Hans Johnson the business building on Main st., formerly occupied by the Antioch Recreation lanes.

Since the building was vacated last May by the bowling alley, Olsen has used it as a warehouse.

Just what the building will be used for in the future Olsen is not yet certain. He is considering remodeling the display room into office space on a rental basis.

Avery Vose Re-elected District Director To Pure Milk Area Board

Avery Vose, Crawford rd., was re-elected director from Dist. 7 of the Pure Milk Association to the state board of that organization at the yearly meeting Wednesday at Grayslake.

The district passed a resolution calling on its leaders to work to reduce the spread of price between the producer and consumer that now exists in milk.

Martin C. Meyers of Palatine was re-elected president of the district; Robert Paddock, Mundelein, was chosen as a new vice president; and Savarin Hertel, Grayslake, re-elected treasurer; and James Curran, McHenry, new secretary.

Chester Faulkner, Gurnee, was re-named district committee chairman, and Earl Kane, chairman of the resolutions committee.

The district was told by General Manager A. L. Williams of the dairy marketing association that tank method of transportation is coming and Lake and McHenry county dairy farmers may as well prepare for it.

The tanks would be paid off without a down payment through a 5 cent checkoff on each 100 pounds of milk and 15 cents contributed by the PMA as a savings at the receiving station.

Five May Battle For Supervisor's Office In Antioch Township

The contest over the office of Antioch township supervisor and road commissioner materialized with the filing of petitions Monday and the expected filing of more later.

Lloyd E. Murrie, auto service station operator, Anthony Scully, used car dealer, and William A. Rosing, present office holder filed early Monday morning in that order with Town Clerk Llewellyn Van Patten, Jr.

Jack Wolf and Joe Farrin have taken out petitions for supervisor and the township battle of the votes probably will be the most interesting in Lake county.

Robert Webb, present road commissioner, has filed for re-election and will be opposed by Richard Waters who has filed his petition.

Jack Stieber will seek the office of Justice of the Peace made vacant by the resignation of Clarence Verkest who left the community.

J. R. Williamson of Lake Villa, Dies Monday

J. R. Williamson, 85, died at 7 a. m. Monday following a lingering illness, at his home on Grand Avenue, Lake Villa.

Mr. Williamson was born October 3, 1869, at Nobleville, Ind. He lived in Chicago for 26 years before coming to Lake Villa in 1919, where he operated a stock farm, retiring in 1948. The farm site is now part of Venetian Village. He was a member of St. Peter's church of Antioch and the Holy Name Society of that church.

On November 23, 1905 he married Mary B. Hughes at St. Bernard's church in Chicago, with whom he celebrated his golden wedding anniversary a year ago.

Survivors are his wife Mary B., two daughters, Mrs. Mary Gurren, Saginaw, Mich., and Mother Mary Kenneth at the Convent of the Holy Child of Pasadena, Calif.; four sons, Charles J. and James E., both of Lake Villa, Lawrence P. of LaGrange Park, Daniel E. of Glasco, Kansas; two brothers, C. W. Williamson, Ensmclaw, Wash., Guy Williamson, Burr Oaks, Kans.; two sisters, Mrs. Arvilla Davidson and Mrs. Mary Benson, both of Glasco, and fifteen grandchildren. He was preceded in death by one son, Guy, August 9, 1949.

Funeral services were held at 9:30 this morning at the family residence and at 10 a. m. at St. Peter's church, Antioch. Interment was in Ascension cemetery, Libertyville.

March of Dimes Campaign Opens to Fight Polio; Mother's March Planned for Thursday, Jan. 27

Lions Club Announces Ladies Night Jan. 25; New Officers Installed

The big social event of the year for the Lions club—Ladies Night—will be held Tuesday evening, Jan. 25 at the Elks club in Waukegan.

Announcement of the forthcoming event was made to members Monday evening at the regular meeting of the club at Smart's Country House where officers were installed for the year.

Art Smejkal's orchestra, the Eddie Rice Trio of Chicago, Strollers, will entertain during dancing and there will be in addition a floor show after the dinner. Reservations must be in by Jan. 22.

New officers were installed by Dist. Gov. Morris Benzuly of Ingleside, who spoke on the organization and its founder, Robert Jones, who is 83 years old.

Atty. Ted Larson turned the president's gavel over to the new president, Harold Cardiff. Elmer Baethke is the new secretary and Robert Lindblad is the new treasurer.

President Cardiff said he will announce his committees at the next regular meeting of the club in February. The swimming pool committee will contain the present membership with possibly one or two additions.

In an additional announcement yesterday, the committee in charge of the Ladies Night dinner said that corsages will be furnished them.

Plan Public Meetings To Explain Proposed Zoning Code Changes

A series of public meetings will be held consecutively in each township of the county, beginning with Waukegan Monday. These are for the purpose of amending Section 21 of the present Lake County Zoning Ordinance to conform to the amended State Enabling act. Appropriate notices of these hearings will appear in the various newspapers.

There will be a public meeting at the court house in Waukegan, on Feb. 4, at 9 a. m. for the purpose of acquainting the general public with the proposed changes in the zoning code, that have been agreed to by a special committee created for that purpose.

The major changes involved are the creation of a B district covering general community business. Trailer parks have been removed from the B-1 district, and placed in a new B-3 district, so as to avoid the confusion that existed in the past, when re-zoning to B-1 districts was requested.

Sign regulations have been modified to afford less restrictive measures as to size and location. It is expected that a greater percentage of compliance will result should the changes become effective.

Minor deletions and additions have also been made, particularly in the case of the location of detached garages, the use of temporary sheds for tool storage during the construction period, etc.

Antioch Freshmen Beat Palatine There 31-18

The Antioch freshmen basketball team won over Palatine Monday, 31 to 18. The boys played a good game, Coach Kessenich said, with Wayne Herbst leading the offensive with 12 points and Roger Lang following with eight; Art Hanke, 7, and Bob Poulsen 4. Royal Rosso, starting his first game, did not score, but turned in a fine floor game. Antioch substituted freely in the last quarter with every member of the squad getting to play. For Palatine Hicks was high with six points.

The score by quarters was Antioch 4-18-26-31, and Palatine 4-11-16-18.

Band Parents to Meet

The Antioch Grade School Band Parents association will meet at 7 p. m. Monday before the P. T. A. meeting.

Two matters will come before the group. The uniform committee will report the prices, and style of uniforms to be brought up for vote.

The by-laws committee will also report and hope to bring it to a vote. A report of the finance committee on the Christmas concert will be made. The school band will provide music for the P. T. A.

The March of Dimes to fight infantile paralysis has gotten under way in the Antioch area under the chairmanship of Dr. Charles Solar.

Containers have been placed in all the stores about town for contributions.

Highlighting the campaign will be a dramatic porchlight canvass called "The Mother's March on Polio."

This will be held on Thursday night, Jan. 27 from 7 to 8 o'clock. Preceding this hour for contributions the rescue squad, fire department and churches will aid by blowing sirens and tolling of bells.

There will be no other house to house canvass other than this Mother's March so all residents are urged to turn on their porchlights as an invitation to these mothers. For those who will not be at home at this time an envelope with your contribution can be left with a neighbor or mailed to Chairman Solar.

This is an especially vital year for supporting the polio foundation as the new Salk vaccine has proved effective and inoculations will be started as soon as sufficient vaccine can be produced.

Dr. Solar has met with splendid co-operation and many willing workers and is most grateful. However, more mothers are needed for canvassing on Jan. 27, especially in the outlying areas. Anyone wishing to volunteer will please phone him at Antioch 627-J.

Ice Skating Place Will Be Ready Saturday If Snow Is Not Too Deep

Poles have been installed, wiring and lights have been attached, and other equipment is being readied for the opening of the public ice skating rink at the northwest shore of Antioch lake.

If there isn't too much snow, firemen will flood the present rough ice on Friday to provide a smooth surface ready for use Saturday and Sunday.

O. I. Onstad, chairman of the committee in charge said that the American Legion, Lions club and Moose lodge are financing the project and supervising the work.

The committee has in mind the erection of a shelter and installation of a juke box later.

Explorer Scouts Meet With Parents Tuesday

The Antioch Explorer squadron comprising boys of high school age interested in aviation had their parents as guests in the opening of a senior scout squadron meeting Tuesday evening commemorated by the presentation of awards for scout achievement in aviation.

Forty adults were present in addition to the scouts.

William Horton, scout adviser from the Lions club which sponsors the troop, presented as the speaker, Lt. Kenneth Taylor, Jr., of Libertyville, a jet pilot who will soon leave for Germany to instruct airmen there in the operations of jet aircraft.

Lt. Taylor spoke on jet aircraft and fighter aircraft operation and problems in learning to operate them. He told of the problems of the young men in getting into the airforce to become a pilot. Taylor was a member of the Order of the Arrow and a scout counselor before he entered the army.

After the talk refreshments were served by the senior scouts to their parents and guests.

Ten in Explorer Squadron

At the present time there are 10 Explorer Scouts in the local troop. John Grady, biology teacher at the high school, is assistant to Horton who has charge of the Explorer group. This group is a part of Troop 92 of which William Johnson is scoutmaster and Larry Lang is assistant scoutmaster.

The Explorer squadron is self governing, using parliamentary law practices, and controlling its own fund which is used to pay the expense of flying and training in navigation, meteorology, and aircraft mechanics. Horton acts only as an adviser.

A field trip is planned each month and the first one will be to O'Hare Airforce base, through which the scouts will be conducted through the base by officers who will give complete instruction in jet aircraft operation.

The American Legion auxiliary will meet tomorrow evening to plan an open meeting Jan. 28 when State Senator Robert McClory will be the speaker.

Palatine, Warren Win; Ela-V. Here Tomorrow; Woodstock, Saturday

Sequoits Drop to Tie With Pirates Through Bad Third Quarter

Antioch High lost its first basketball games of the season, both by close scores last week end and as the result are in a tie with Palatine for the leadership of the Northwest Conference.

The Sequoits lost to Palatine there Friday 55 to 57 and to Warren there Saturday 48 to 43. They will play Ela-Vernon here tomorrow evening and Woodstock will play here Saturday evening.

A bad third quarter at Palatine was responsible for the defeat there. The Sequoits took the first two quarters by identical scores 14-12 and led at the half 28 to 24. In the third quarter, however, Palatine scored 17 points to Antioch's 4, and the Sequoits were 13 points behind with 7 minutes to go. They bounced back for a tie, but in the last minute two quick baskets by Alan Eck and another by David Schutz of Palatine were too much for Antioch to overcome.

Coach Dick Scott was pleased with the way his team was able to bounce back after falling so far behind.

"Palatine is a good ball club and we hit them on a 'hot' night," said Scott.

Ben Floyd with 15 points and Mike Haviland, with 13 points, were high point men for Antioch, but Jack Palmer, Fred Clarke, and Butch Brownlee contributed heavily to the scoring.

For Palatine Eck scored 20 points and Schutz, 15.

Warren Gets Jump Throughout
Inability to get rebounds and jump balls and to work strong on the offense cost the Sequoits their game here with Warren High at Gurnee Saturday night. The Blue Devils jumped to a five-point lead in the first quarter and while the Sequoits played them on even terms thereafter, they could not overcome the advantage. The game was pre-

(continued on page 4)

McMillen Will Referee Wrestling Bout Jan. 22 At Central High School

Jim McMillen, famed mayor of Antioch who once starred in pro football and wrestling, has been selected to referee the pending big-time muscle shindig at the Central High School gymnasium of Salem, Saturday, Jan. 22.

This is an inaugural 1955 appearance for many of the nationally-known grapplers in this area. It's under the auspices of the Central High School Community club.

McMillen was a great tackle at the University of Illinois and then the Chicago Bears. He still is vice-president of the latter organization. At his peak, he turned to a major love, wrestling, and met such immortal stars as Strangler Lewis, Jim Londos, Everett Marshall, and Joe Savoldi, giving all of them rough encounters and winning the majority of his bouts.

Big Jim can still work a mean show. Meaning that he keeps the roughest of men in line. He has been a ref for 15 years. This time he'll handle what should be a wild tag team headliner—Pat O'Connor and Billy Goetz against bewildered Rasputin and Bobby Nelson. There are two other strong matches carded: Tor Yamato of Japan against strongman Al Szasz, who recently showed his wares on the national Supercircus show, (ABC network), and Jon Arjon of France meeting Red Bastien.

Mrs. Ethelle Ingles Dies Friday After Long Illness

Mrs. Ethelle E. Ingles, 49, of Lake Catherine, died at 7:30 p. m. Friday in Lake County General Hospital after an illness of one year.

She was born in Antioch, June 22, 1905, and lived here most of her life. She was a member of the Methodist church and the Order of Eastern Star.

Surviving are her husband, Eugene F. Ingles of Antioch and Chicago, a deputy coroner for Cook county; a sister, Mrs. Gladys Pusateri of Waukegan; a brother, Milton Crandall of Antioch, a step-son, Eugene of Lake Zurich, and three grandchildren.

Mrs. Ingles was preceded in death by a brother, Leslie Crandall in 1943; her father, Hervey in 1940 and her mother, Alice in 1908.

Service were held at 2 p. m. Monday at 1521 Washington st., Waukegan. The Rev. Thomas M. Pender of Waukegan and Antioch chapter O. E. S. officiated.

Burial was in Northshore Garden of Memories.

Socialist Intellectuals Undermine Freedom

The great questions which confronted the American people when 1954 began had not been answered when 1954 ended. Had they been, it would have amounted to a miracle of unprecedented proportions. For they involve, in the international sphere, bitter and emotionally-charged conflicts which have been growing and deepening for more than a generation. And here at home, on the domestic front, the American people certainly have not made clear their answer to the greatest question of all—what kind of government they want.

There were achievements during the year— notable achievements. When the shooting war ended in Korea, and it became possible to sharply decrease war spending, there were those who feared that a depression or at least a severe recession was inevitable. They believed that our economy was so inextricably tied to war that the transition to even an uneasy peace would be long and painful. That was not the case. It has been pointed out that never in history did a great nation proceed with such a transition in so orderly a fashion.

Industry demonstrated its faith in this nation's strength and potential by continuing and ever increasing expansion programs of almost unbelievable scope and cost. The declining purchasing power of the dollar was checked—the direct result of curbs on federal spending. As the year ended, production and consumption were running at enormous levels, and the employment figures reflected that fact.

What then—barring another world war—have we got to worry about?

The answer is simple. For some 20 years, millions of Americans became conditioned to having government provide more and more of the services that people must provide for themselves if a free system is to be preserved. They became conditioned to the idea of a welfare state. And, apparently, they regarded a "little socialism" as a good thing.

Obvious consequences of this are found in our national debt and our tax structure—nothing is more expensive than socialism and a welfare state. More subtle and more important consequences are found in a sapping of individual moral fiber, and the undermining of old, eternal ideals of human dignity and freedom and responsibility.

Americans hate Communism. Yet Communism is nothing but socialism and state capitalism—"do-everything" government—carried to the inevitable end. One of the most distinguished men living recently described the process well. Herbert Hoover said: "In the Iron Curtain states it was the Socialist intel-

lectuals who weakened the freedom of men by destroying free enterprise. Thus they furnished the boarding ladders by which the Communists captured the Ship of State."

Today, as for years past, the attempt to destroy free enterprise in the United States continues. Men in high, responsible positions, including members of both the political parties, advocate policies and philosophies which would undermine free enterprise in one sphere or another, and which would make the central government ever bigger, ever more powerful, ever more expensive, ever more monopolistic, ever more oppressive.

A short time ago Dorothy Thompson wrote: "Private enterprise, we note, is always called an 'interest' while State capitalist ventures are presented as disinterested instruments of the 'people.' This is balderdash. Government grows on what it feeds on; every Government agency and its functionaries are hungry for more appropriations and more power; they, too, are 'interests'."

Moreover, the sins of private enterprise can be and are corrected by law. The sins of super-government, once a certain point is reached, are beyond any law. The people, more and more, take what is offered and do what they are told. That is the way free men become slaves. Modern history groans with examples of it.

It was said long ago that any people get the kind of government they deserve. They also get the amount of freedom they deserve. We Americans are not immune to these truths.

The Low Down From Hickory Grove

Today I put in my ear on what I see and hear that might show the way to a safer and more tranquil U. S. A. A new crew is there in the Old Town where new laws blossom and go forth for better or worse. Debt and sophomore socialism are 2 prime subjects and problems. Mr. Byrd, the old Sore Back apple senator from Virginia suh!, I figure he is on the main line and headed for even greater esteem in his try at getting a balanced budget.

Also, you can't hop too heavy onto the present crew there on the Potomac for today's burden—this new crew fell heir to the mucho needed red ink. Also the new crew needs peruse the laws that make our tinkering with socialism the expensive thing that it is. And at this spot I put in a good word for work already done—the slowing of further unneeded expansion around Tennessee. So that is 50-50 for Mr. Ike and Mr. Byrd—a coupla estimable gentlemen.

To help along I return today with my suggestion—a sorta semi-annual one—of letting the people see who is in the Govt. and on our payroll. My bright idea is to plaster foot-high signs on all public vehicles—let us see how many are touring on free gas—let us see how smart the driver may look, or if it is wife and daughter using the free gas. It could count up into big dinero—free gas—it could unbalance many a budget, town, state, or what have you.

Yours with the low down,
JO SERRA

SOCIETY EVENTS

Garrett Professor To Preach in Antioch

The Methodist church of Antioch is privileged to announce that Dr. Edward Blair will preach Sunday at the 11 a. m. worship service. Dr. Blair is professor of New Testament interpretation at Garrett Biblical Institute, a graduate seminary of the Methodist church in Evanston.

A native of Oregon, Dr. Blair received the bachelor of arts degree from Seattle Pacific college, the Bachelor of Sacred Theology from The Biblical Seminary in New York, and the Doctor of Philosophy degree from Yale university. In 1935-36 he did special work at the American School of Oriental Research, Jerusalem. In 1951 he spent five weeks helping to dig up the ruins of Roman Jericho, the home of the rich Zachariah and blind Bartimaeus of Jesus' time.

His most recent book is entitled *The Bible and You*. It is a book to help people better understand how to read the Bible.

Engagements

GAIL VIRGINIA NOBLE
Mr. and Mrs. Ellsworth Noble announce the engagement of their daughter, Gail Virginia, to Mr. James Edward Kondelik, son of Mr. and Mrs. Edward Kondelik of Chicago.

MARGARET STOKEN

Woman of the Moose

Candidates Mrs. John Higgins, sponsor Mrs. Leonard Roblin; Mrs. Melvin Wohlfelt, sponsor Mrs. Geo. Schroeder; Mrs. Joseph Farrin, sponsor Mrs. William Meyer; Mrs. G. Broecker, sponsor Mrs. H. Fox; and Mrs. J. Koral, Home Chapter, sponsor Mrs. D. Palm, were initiated by the officers of the Antioch Chapter No. 735, Women of the Moose, at their regular meeting last Thursday, January 6, at the Moose Lodge.

Mrs. R. Eckert, chairman of the Child Care committee, introduced her guest speaker, Officer Harold Scheske, deputy of the Lake County Sheriff's office, who lectured on the importance of teaching young children, and helping them respect, the laws of the highway.

Moosehaven Chairman Mrs. A. Johnson, reminded the Chapter that tickets for the card party Jan. 21 at the Moose lodge, her committee and Moosehaven Alumni committee are collaborating on, are now available. Publicity committee is sponsoring a parcel post sale and Valentine pot-luck supper on Sunday, Feb. 13.

The Mid-Winter conference will be in Waukegan on Sunday, Jan. 30, and Ritual chairman Mrs. W. Good, has called for a ritual practice on Thursday, Jan. 27.

Refreshments were served by Child Care Chairman Mrs. R. Eckert and her committee, Mesdames G. Carrick, W. Lahti and E. Gundelach.

Mrs. Rose King of Lake Geneva Wis., had as guest Sunday, Mr. and Mrs. Henry Mau of Antioch, Mr. and Mrs. Wayne Belcher of Pikeville, Wis., Mrs. George Hildebrandt and baby of Bassett, Wis., and Mrs. Jack Lee and mother of Lake Geneva, Wis.

Holy Name Officers

Installed Last Sunday

Newly-elected officers of the Holy Name society of St. Peter's Catholic church in Antioch were installed by the spiritual director, Fr. Johnson Sunday.

Les Hamlin, Lake Villa, became president; Tom Haley, Antioch, first vice president; Ray Glennon, Channel lake, secretary; Tom Pehousek, Antioch, treasurer.

Committee chairmen are Al Kozitner, publicity; Tom Haley, membership; Louis Bauer, sick and vigils; Larry Lang, retreat; Bruce Dalgard, special chairman; Joe McGrath and Ed Cranley, literature, books and movies; Charles Cernak, military; and Louis Smoe, marshal.

W. S. C. S. TO HOLD MEETING JANUARY 19

The Women's Society of Christian Service of the Methodist church will hold a regular meeting at the Wesley hall, at 1:30 p. m. Wednesday, January 19.

Mrs. David Noddin will lead the devotions. A program of music will be presented by high school students under the direction of Lquis Chenette. Mrs. Herman Grenzman and her committee will have charge of the luncheon.

GRASS LAKE P. T. A. TO HEAR E. C. COONEY SPEAK

E. C. Cooney, National assistant director of the Izaak Walton League, will be the principal speaker at a meeting of the Grass Lake Parent-Teachers Association to be held Monday evening, Jan. 17. Mr. Cooney will show films and will speak on "The Out of Doors."

As usual the men will take over in all departments, with George Pierce acting as president; James Ferria as vice president, Bob Hart as secretary and George Mazzucca acting as treasurer. Mr. Dittmer will don the chef's hat and once more serve one of his famous fish dinners. Everyone is welcome.

Mr. and Mrs. O. P. Palaske and son Mark of Climax, Colo., left recently after spending the holidays with their mother, Mrs. Julia Palaske. They expect to spend a few days in New Orleans, La., before returning to their home at Climax.

Friends and neighbors of Mr. and Mrs. William Terry of Lake Marie gave then a surprise party in celebration of their twenty-fifth wedding anniversary Tuesday evening at their home. Fourteen guests were present. The evening was spent in playing games. Refreshments were served later in the evening.

Auxiliary News

Antioch Unit 748, American Legion Auxiliary will meet in regular business session on Friday, Jan. 14, at 8 p. m., in the Legion home. Having omitted the Dec. 24 meeting, there will be much business on hand at this meeting. All Unit chairmen are asked to have their reports in to their district chairmen on or before Jan. 15.

To Visit Mitchell Field

In February the group plans to visit the Mitchell Field Radar station at Milwaukee and the weather bureau for pilot briefing.

The explorer squad is open to membership to all boys of high school age, that is, 14 years and over.

Robert Wright is the Lions institutional representative to the senior scouts.

Mass Band Concert at Wilmot High Jan. 31

Wilmot High School will be host to the annual massed band concert at 1:30 and 8 p. m. Monday, Jan. 31 in the school gymnasium. Richard Brittain, VanderCook College of Music, will be the guest conductor in directing the band of 100 pieces from Burlington, Darien, Delavan, East Troy, Elkhorn, Lake Geneva, Mukwonago, Racine Co. Agriculture, Salem Central, Sharon, Union Grove, Walworth, Waterford, Williams Bay and Wilmot schools.

Will Sell Air Cushions

The boys of the "A" club at Antioch High school are selling air cushions for basketball games to raise money to purchase a whirlpool bath to be installed in the school's locker room for treatment of athletic injuries. The cushions are not sold at games, so they must be purchased from members. They can be folded and carried in a purse or pocket and can be inflated with a small amount of air.

A 40-man caravan went to Springfield last week and saw Rep. W. J. Murphy of Petite Lake sworn in as the newest assemblyman from the eighth senatorial district. The group went by train Tuesday and returned Thursday evening.

Basketball teams of the Antioch Grade school will play at Diamond Lake tomorrow evening. The first team has but one defeat so far this year.

Peter Larson, Father of Mrs. A. Johnson, Dies

Peter Larson, 89, Elgin, Ill., father of Mrs. Anton Johnson of Channel

Lake, died at 11 p. m. Tuesday at the Sherman hospital, Elgin, following a lingering illness. Mr. Larson had made his home with his daughter before entering the hospital in

April. He is survived by nine children. Funeral services will be held Friday at the Bergan Wolff funeral home in Elgin.

GEMS OF THOUGHT

The best of healers is good cheer. The surest way to prevent war is not to fear it.

1955 CHRYSLER NEW YORKER DELUXE 4-DOOR SEDAN

AN EXCITING NEW DIRECTION in motorcar styling begins with Chrysler for 1955... longer, and inches lower than other big cars, in the most striking new car design of recent years! Noteworthy is the new sweepback Super-Scenic Windshield that "wraps around" both top and bottom for greater (and safer) vision. All Chryslers are now V-8's, with

engines up to 250 hp. The new Chrysler look of mobility and purposeful power is further translated into action by the most automatic transmission in any car... exclusive Chrysler Full-time Power Steering... and Power Brakes with a new, safer acting double-width brake pedal. By all odds, this is definitely the car to look at and drive first in 1955!

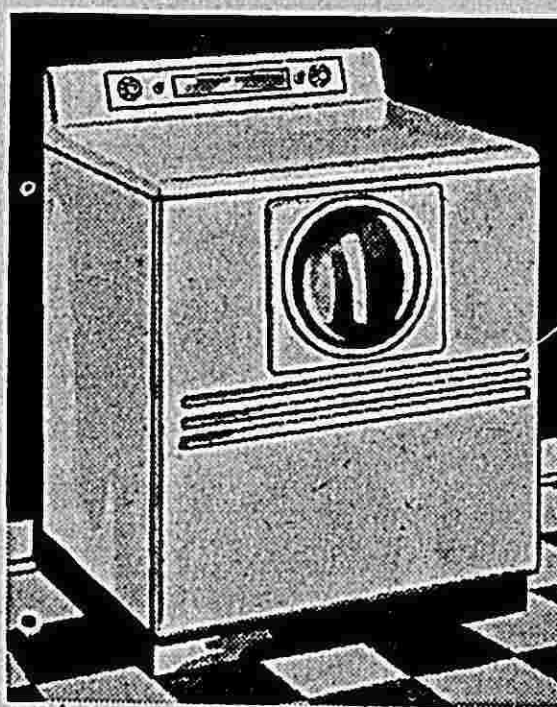

CHRYSLER'S 100-MILLION-DOLLAR LOOK! ... a forecast fashion for all cars to follow!

GOOD DRIVERS DRIVE SAFELY!

Good News for 615,000 Northern Illinois families!

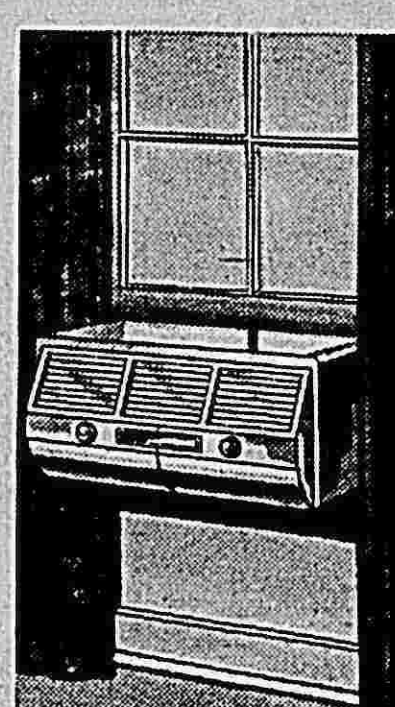

ELECTRIC DRYER

WATER HEATER

ELECTRIC RANGE

AIR CONDITIONER

If you plan to buy one of these in 1955—here's how you can benefit from our NEW APPLIANCE INSTALLATION PLAN

1. YOU SAVE IMPORTANT MONEY ON INSTALLATION of an Electric Range, Dryer, Air Conditioner or Water Heater if you live in a 1, 2, or 3-family building with 120-volt wiring.

2. YOUR PRESENT APPLIANCES WORK BETTER—once you have the new, heavy-duty 240-volt wiring in your home.

3. YOU'RE ALL SET FOR THE FUTURE—You can add wiring for the electrical appliances you'll want in the years ahead quickly and cheaply.

Are you one of our 615,000 customers who live in Northern Illinois... in a 1, 2, or 3-family building with 120-volt (2-wire) service? If you are, this new installation plan of ours can save you up to \$35 with the installation of any appliance shown above. And, you also get the modernized wiring you need today.

This installation includes bringing a 240-volt (3-wire) line to the fuse box inside your home plus the interior wiring to wherever you want the appliance located. We'll extend terms (up to 12 months) on your share of the wiring if you wish.

Plan Available at All Dealers

Our new installation plan helps you and your dealer. All your dealer does is call us once—we do the rest. We arrange a convenient installation date with you... line

up an electrical contractor—see the job's done right. If you prefer easy terms on your part of the wiring, we'll take care of it.

What modernized wiring means to you

Once you have new, heavy-duty 240-volt wiring with adequate circuits you can kiss a lot of little annoyances goodbye. Your toast will toast faster, your TV picture will be improved and lights won't dim when you plug in the iron. Why? Because your new wiring can handle lighting and many appliances easily.

You're set for the future, too. Once your new electric dryer, range, air conditioner, or water heater is installed, you're ready for lots more electrical appliances in years ahead. And future installations can be made quickly and cheaply. And of course, modernized wiring makes your home a better value if you ever decide to sell.

For full details, see any appliance dealer or our stores now

**When you want to Go
-You're gonna Go!**

No ifs, ands or buts about it.

When you give the gun to a 1955 Buick with Dynaflo Drive,* you move.

In the instant you push down the pedal, you get the action you've called for—*immediate* getaway from a standing start, or *immediate* safety-surge out of a tight spot on the highway.

It's not magic, this thrilling and pulse-quicken response—though it feels like the closest thing to it.

It's a principle of the modern airplane, brought for the first time to an automotive transmission.

Twenty "variable pitch propellers" inside

the Dynaflo unit itself can change their angle—like the propeller of the airliner can change its pitch from take-off position to cruising position.

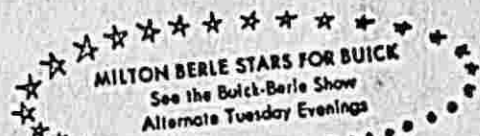

And what this brings to you—at the wheel of a 1955 Buick—is the nearest thing to flight on wheels. Far better gas mileage in your normal driving and cruising. Spectacular new response when you want it for extra quick getaway or emergency acceleration.

But all this, mind you, with the absolute smoothness that is constant in Dynaflo Drive.

Surely, a demonstration of Variable Pitch Dynaflo is a Buick must this year. We'll be happy to do the honors—and show you, in the doing, what a whale of a buy you make here. Drop in this week, won't you?

*Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series.

**Thrill of the year
is Buick**

**"If you have 5 Apples,
and give
Tom 2..."**

Remember the old arithmetic problem? It ended
"How many will you have left?"

Ask yourself the same question about the
dollars you earn today. If you'll resolve to pay
yourself first—to set aside a part of your salary,
regularly, before you start to spend—you'll
find that you always get a satisfying answer.
